

TAKE THE ACT ON A SCHOOL DAY ON HERE AT

THE ACT COULD HELP YOU SAVE THOUSANDS ON TUITION.

Taking the ACT test can increase your chances of earning new or better scholarships. One counselor found that over 10 years, more of her students earned more scholarship dollars with ACT scores than SAT scores.

THE ACT IS A COMPREHENSIVE TEST, INCLUDING STEM.

The ACT gives you the chance to stand out with a unique STEM score, a measure of preparedness for courses in STEM related majors.

TAKE CLASSES AT THE RIGHT LEVEL TO FALL IN LOVE WITH THEM, NOT FALL BEHIND.

Every question on the ACT is based on the high school curriculum you are already familiar with. While you've been studying for your classes, you've been preparing for the ACT.
